CNN agrees to pay reasonable duplication fees for the processing of this request in an amount not to exceed \$100. Please notify me prior to your incurring any expenses in excess of that amount.

If CNN's request is denied in whole or part, we ask that you justify all deletions by reference to the specific exemptions of the Act. CNN will also expect you to release all segregable portions of otherwise exempt material: For example, the EEO-1 Consolidated Report for companies if the more granular EEO-1 data is exempt. CNN reserves the right to appeal your decision to withhold any information.

I would appreciate your communicating with me by telephone [REDACTED], rather than by mail, if you have questions regarding this request. As I have made this request in the capacity as a journalist and this information is of timely value, I would appreciate your expediting the consideration of this request in every way possible. In any event, I look forward to your reply within 20 business days, as the Act requires.

Thank you for your assistance.
